1:00–3:00	Quiet Time
3:00–3:15	Snack Time
3:15–3:45	Activity
3:45–5:00	Play and Pickup

What To Expect

Hello everyone! We are so excited to be able to present this opportunity to you and your children! This summer is going to be full of fun and adventures. We are looking at different themes each week with specialized activities each day to go along with those themes. We are also going to incorporate a saint or bible character each day that goes along with the theme or that we just find interesting and want to teach. Covid permitting, we are hoping to do field trips and have guest speakers come in to teach the students about fun and exciting topics. The days will run similar to the preschool's current schedule with morning speakers and field trips and afternoon nap time and fun activities. We have so many fun things in store for this summer and we cannot wait to share them with you!

Week 1: (June 7–11) Backyard Fun	Week 2: June 14–18 African Safari	Week 3: June 21–25 Jungle Safari	Week 4: June 28–July 2 STEM	Week 5: July 5–9 Around the World
Week 6: July 12–16 Wild West	Week 7: July 19–23 Space	Week 8: July 26–30 At the Beach	Week 9: August 2–6 Under The Sea	Week 10: August 9–13 Wrap Up

Meet The Teachers

Hello everyone! My name is Rebecca Hill. I am originally from Northern Kentucky, and my family and I moved to Rapid City a couple years ago. I am currently a junior at BHSU studying Elementary Education and Middle School Education. I spent a lot of time in high school volunteering at my church working with the preschool, Sunday school program, and middle school girls. I have spent the last year subbing at Saint Joseph's preschool and the Catholic Schools in Rapid; as well as the last couple of months at the public schools here in Spearfish. I am excited to bring all that experience into my teaching this summer. I have 5 siblings, 1 older brother and 4 younger sisters. My brother lives in Kentucky with his wife and 2 daughters. I have twin sisters that are sophomores and 2 other sisters in sixth and third grade. My family means a lot to me and they were one of my primary reasons for going to school out here. I spend a lot of my free time with my family and friends and I love hiking in the Black Hills or reading and relaxing.

Hello Everyone. My name is Rilee Rowse. I am from Ft. Pierre SD. I am very excited to be co-teaching this summer program. I am currently a student at Black Hills State University majoring in Elementary Education with a minor in Early Childhood education. Before coming out here I worked at the South Dakota Discovery Center every summer for the past 4 years teaching STEM summer camps to elementary and middle school students. I am excited to bring what I have learned to this summer program. I have a younger brother who is a senior in high school and going to DWU in the fall and a younger sister who is a sophomore in high school. I spent a lot of time at the preschool in the Fall doing my observation hours there, and I am excited to get to work there this summer. I love being in the Black Hills and going on hikes and exploring everything it has to offer.
